

ETOWAH VALLEY QUILT GUILD

Regular Meeting - April 19, 2007

This evening we did not have a business meeting or show and tell. Beginning at 7:00 pm a talk/demonstration was given by Patty Knoechel, sister of Eleanor Burns. Members of the Hiram Guild and Allatoona Guild were invited to attend our special meeting. The program was informative and interesting, as always. Everyone had a great time. For those who may be interested, Patty's web page address is www.creatingwithcolor.com.

Next month we will hold our normal business meeting.
